

APPETITE GUIDE

Miscellaneous Professional Liability

We write Miscellaneous Professional Liability (MPL) for Private Companies and Not-For-Profit Organizations domiciled in the United States with up to \$250,000,000 in revenue, offering a vast array of professional services. We offer tailored professional liability coverage on a modular form with the ability to write additional management liability lines.

This guide gives you an indication of the types of risks we can write, however, this list is not exhaustive. Please contact us to discuss your clients' specific needs.
