“At Nexus we pride ourselves in having very strong capacity behind us to offer you innovative products tailored to your needs across a broad range of business classes.”

**Joanne Edgley**  
Managing Director

Nexus Financial Lines currently has up to £20m capacity on any single Directors and Officers liability risk, thus offering significant levels of financial protection for our clients through our skilled and experienced underwriting team.

Managing a business is highly complex with laws, regulations and business practices constantly changing. Directors and Officers may be held personally liable for their actions and of those they manage and supervise,

potentially putting their reputation, personal assets and freedom in jeopardy.

Nexus Financial Lines understands the need to consistently deliver high quality products, service and capacity to help protect our clients from these very real risks and support their businesses as they develop and grow.

Some of our D&O products can be distributed via the online Nexus Portal, an easy to use system, offering competitive premiums, access to Nexus

Financial Lines suite of products, fast, efficient quote and bind service and instant policy issuance.

The D&O team provides first rate, innovative products in the following lines of business:

- Directors and Officers Liability
- Pension Trustee Liability
- Employment Practices Liability
- Crime
- Computer Crime
- Public Offering of Securities Insurance (POSI)

## Nexus Claims Management

No two claims or customers are the same but once agreed our claims procedure is fast, efficient and straightforward. We can adopt a bespoke claims handling process which enables the prompt response you would expect.
