Vectura Underwriting is a dedicated and focused Underwriting Agency specialising in International Cargo Insurance, Domestic Transit, Freight Liability, ATA Carnet and Customs Bonds associated with the transport of goods and Dry Towage Risks.

We are able to provide a full range of policies to meet your needs, including:

- Annual cargo and freight liability policies
- Facultative risks
- Global transit and storage programmes
- Stockthroughput policies
- Project cargo with or without marine delay in start up
- Domestic transit insurance
- Freight liability

Understanding risk exposure to cargo transiting worldwide is fundamental in the global environment we operate in today. Vectura's underwriting team has years of proven experience in assisting clients to manage and mitigate these risks. Service and innovation are the key drivers for the Vectura team.
