

Whole Turnover

Nexus CIFS' Whole Turnover product covers you for non payment of your domestic and export sales due to the insolvency or default of your customer. Policies are available for commercial risk only in A1 graded countries or if you insure A2 countries, commercial and political risk cover is included. As well as Whole Turnover policies we can protect you against catastrophe risk. Nexus CIFS has been voted Credit Insurer of the Year twice in the past three years and our award winning success is due to our excellent service and flexible underwriting

Features

- Up to £20m per policy limit
- Option to add Political Risk cover for insured countries outside of OECD markets.
- Ground up, Principal Customer and Aggregate First Loss cover all available
- Discretionary Limit available up to £250k
- Every policy given direct access to a dedicated risk underwriter
- Lloyd's leverage - as the only UK insurer offering Whole Turnover cover primarily insured in the Lloyd's market we benefit from Lloyd's worldwide market presence and A+ rating

About the Whole Turnover Team

- 23 Underwriters
- A very experienced team established 17 years ago
- Trade sector specialists and export underwriting expertise
- Regionally based commercial underwriters
- Backed by Lloyd's syndicates Liberty 4472, Novae 2007, Amtrust 1206, Amlin 2001, Vibe 5678 and Liberty Mutual Insurance Europe

'In even the toughest times we met budget because we were able to continue trading throughout. This was thanks to the help and support from CIFS.'

– Stanton Bonna

About Nexus CIFS

Nexus CIFS, part of the Nexus Group is one of the UK's leading on-line underwriting agencies with a growing market share in UK trade credit insurance and a reputation for superior underwriting. Nexus CIFS prides itself on its personal and flexible approach and "can do" attitude. The firm was named Credit Insurer of the Year at the 2015 Institute of Credit Management Awards and highly commended in the Institute's new category of Credit Insurance Specialist of the Year in 2017.
