

Construction Contract Services

Our construction contract range of services has been developed in partnership with Hawkswell Kilvington, specialist construction solicitors, to offer Nexus CIFS policyholders special benefits. Award winning Hawkswell Kilvington, is renowned for its straightforward no-nonsense commercial approach to all aspects of construction and engineering legal services from contract drafting to dispute resolution.

We are offering Nexus CIFS policyholders a variety of specialist services at concessionary rates. These include:

- **Health Check – review your terms and conditions**
Take advantage of a free review of your standard terms and conditions to highlight potential risk areas, ensuring that they are up-to-date and offer adequate protection. Key areas requiring amendment will be identified.
- **Contract Review – ensure specific contracts will deliver what you expect for your business**
When entering into contracts it is important that responsibilities and liabilities are fully appreciated. You can obtain a report on key risks using a “traffic light” system to prioritise potential risks, so you know exactly what you are signing up to. This is available for a fixed fee.
- **Adjudication Service – have the right team working for you should a contract go wrong**
The fixed fee Adjudication Service is designed to enable you to deal with adjudications in a cost effective and proportionate way allowing customers to have the benefit of Hawkswell Kilvington’s considerable experience in adjudication. This allows you to adopt the right strategy and tactics from the start.
- **Seminars & Training – ensure your team has the very best knowledge and training**
You can take advantage of the nationwide seminars that Hawkswell Kilvington provides on a wide range of commercial and contractual issues on current matters. They also provide in-house training which can be tailored to suit specific business needs and requirements, allowing your team to become match fit in the current commercial climate.
- **News Updates – be sure you are in the know**
Sign up to free E-Bulletins to receive regular updates and keep you informed of the latest legal developments in the construction industry. Visit www.hklegal.co.uk to subscribe.

Many of Hawkswell Kilvington’s services can be carried out for a fixed fee, with a concessionary rate available to Nexus CIFS customers.
